

## A Map

This meeting was focused on populating the categories identified at our previous meeting:

- ◇ Community kitchens
- ◇ Community gardens
- ◇ 4H
- ◇ Producers
- ◇ Fisheries
- ◇ Farmer's Markets
- ◇ Food Banks
- ◇ Grocery stores
- ◇ Schools
- ◇ Advocacy groups
- ◇ Community resources such as CSA, youth groups, women institutes

With the use of the asset maps (provided from the community health boards for Lunenburg and Queens) and a bit of brainstorming we have a great start to the project.

## What happens next?

### Further information to collect:

- Check with the Region of Queens regarding vendors for the Market on the Mersey
- Contact information for the European Bread Guy
- Can we get contact information from the Department of Fisheries for the mobile selling of fish
- Check with various fishing associations regarding vendors

### What do we need to do for our next meeting?

Attached is the document we started. Melanie will be inputting the information from the asset maps. Please review the document as there are a few follow up items contained within the document. Melanie will send an updated document when available.

### What will we do at the next meeting?

We will continue to gather information and populate the categories, creating lists of our assets.

### **Our Meetings!**

**We have decided to meet the 4th Monday of every month from 10:00 am - 12:00 starting April 23rd, 2012. Our meeting on April 23rd will be at the Bridgewater Public Health office.**
